Negotiated Service Agreement

Docket No. CP2018-26

PUBLIC REPRESENTATIVE MOTION
FOR ISSUANCE OF INFORMATION REQUEST AND EXTENSION OF COMMENT
DEADLINE

(October 20, 2017)

Pursuant to 39 C.F.R. § 3001.21(a) and 39 C.F.R. § 3007.3(c), the Public Representative requests that an Information Request be issued to obtain additional clarifying data and information from the Postal Service concerning the proposed Negotiated Service Agreement. The proposed questions seek information that will allow participants to constructively comment and evaluate whether the agreement meets applicable legal and regulatory requirements. Obtaining this information will also contribute to a better understanding of how the Postal Service has interpreted Commission rules and allow the Commission to make a fully informed, reasoned determination on whether this agreement meets applicable legal and regulatory requirements.

Because full and complete responses to the proposed questions are essential to the evaluation of the Request, the Public Representative requests that the Commission extend the comment deadline to allow commenters adequate time to consider and evaluate the Postal Service's responses. Accordingly, the Public Representative

requests that the Commission extend the deadline for filing comments to three business days after the filing of complete responses to the proposed questions. Extension of the comment deadline will not significantly delay the proceeding nor adversely affect any participant. While the Postal Service encourages an expedited resolution to this docket, responses to these questions are essential for a deliberate evaluation of the agreement, and timely and complete responses will allow a quicker procedural schedule.

The text of the proposed Information Request has been filed under seal.

Respectfully submitted,

Max E. Schnidman
Public Representative
